

Red Carpet

Everyday we encounter signs and signals that tell us where to go and when to wait. Traffic lights and colored lines direct us on the road and architecture guides us through space, while maps and blueprints document these conventions. Red Carpet is a show of spacial or interactive pieces that deal with the most basic kinds of social mediation caused by the space and architecture. All media are welcome to apply.

The submission deadline is Friday, October 9 at 5pm. The show runs Friday and Saturday, November 13 and 14 with a reception Friday night from 6-10 pm.

Send a completed application form, a brief description of the proposed project, up to 3 images, and a \$15 processing fee to: Open Lot, 1307 Jewel St, Nashville TN, 37207.

For a digital version go to www.theopenlot.org and select Submit Work. Digital submissions may be sent to skyegilkerson@gmail.com
